OPEN CHALLENGE to Lucia RIJKEr issued by Sumya Anani

14.06.04 - by **Sumya Anani**: OPEN CHALLENGE to Lucia RIJKEr, WHO DIDN'T RESPOND TO MY EARLIER CHALLENGE, Jane COUCH, Aga RYLIK, & even Christy "THE GOLD DIGGER'S DAUGHTER" Martin should she want a rematch. Let's UNIFY the jnr. welter division & determine who is the best @ 140!

LUCIA, if you have any professional pride you will not retire without fighting a legitimate contender for a legitimate title. You won your "belt" from Marcela Acuna, who was 0-1 at the time. She is now competing as a super bantam. You have always avoided the best "on your street." I WILL FIGHT YOU FOR EXPENSES ONLY, AND DONATE MY PURSE TO CHARITY!!!!

JANE & AGA, I'll put my belt on the line, will you? I'm willing to fight you in your hometown and country. JANE, a TRUE champion would want to avenge her only TKO loss!!! I'll give you a rematch ANYWHERE, ANYTIME!

CHRISTY, stop trying to con the fans! You've past your prime and didn't belong in the ring with Laila the 1st time. NO ONE WANTS TO SEE A REMATCH OF A MISMATCH. You NEVER were the p4p # 1. Your problem right now is too many pounds!!

My condolences to Jaime Clamptt for the tragic personal loss of her co-trainer & friend. I'd like to congratulate her for a very brave effort on Saturday night.
