Barry Becker and Sumya Anani

Dear Barry and Sumya:

I hope this letter finds both of you enjoying excellent health.

Please excuse my delay in giving my ultimate congratulations for a fantastic and unbelievable job that was done in the Christy Martin fight.

Barry, you predicted all along that Sumya had to skill, talent, and tenacity to achieve her goals and I congratulate you for having this foresight.

I hope now that good things and financial rewarding bouts will come your way because you both richly deserve it.

I don't think I have ever seen a better-trained athlete then you displayed on this night, Sumya. I must also add that your ability to focus and concentrate was also unparalleled.

You two make a terrific team, I wish you nothing but success, and if there is anything that I can do to help, please do not hesitate to ask.

Sincerely yours,

Ringside, Inc.
