**HOTTEST NEWS FLASH!!!!**

**CHRISTY MARTIN VS. SUMYA ANANI**

**ANANI DEFEATS MARTIN BY A UNANIMOUS DECISION!!!**

**First Round:** Christy gets in an early uppercut. Anani fights

too much with her head down. Swinging wide shots without much accuracy. End of round and Martin has her usual

bloody nose. Second round: Christy slips in a wild exchange. Martin has more accuracy but they are landing equal punches. Anani's corner tells her to slow down. Third round: At the end of round Anani has Christy against ropes after landing a left hook. She is pounding Martin. The bell saves her!! Fourth round: Anani landing punches again.

Martin battling back and landing lots of punches to the side of the head. They're fighting in the corner. Anani's in trouble now but nothing is putting her down. IT IS WAR and the crowd is going wild. Fifth round: Christy landing body shots. It's about even now. Anani has to be the best Martin has ever fought. Anani's getting tired though. Sixth round: Martin lands more but Anani fights back. It's an even match now 3 rounds to each fighter.

Seventh round: Less action more stalking. Martin is showing more experience. Seems to have recovered her leg work.

Eighth round: Anani lands some straight ones. She has Christy against the ropes again at the end of round. However Anani got tagged good with a hook earlier. Ninth round: Anani is landing more punches and Martin keeps backing up. Martin face is swelling noticeably at the end of round. Last round: Anani is getting the best shots in. Martin looks beaten much more than Anani. It's up to the judges at end of round.

Majority decision. One draw, 2 in favor of Anani by a point. Anani WINS. Martin is moved to tears at the end. They have put sunglasses on Martin so she doesn't look so bad. She says she doesn't want a rematch and is more or less saying she wants to retire to training and promoting! Reported by "Inside Reporter" Fred F.
